1926?

July 20th.

My dear Mr Pfeiffer-

The Western Union called me up this evening saying there was a message for me but that it was too long to read, and that there was \$2.65 to pay on it and that I need not pay it if I did not wish to. They sent it up I read copied and sent it back. Here it is.

Saw papers, can help you, at time I was at Johns Manville Co. Manville N.J. Investigate me, can prove you are innocent, maids story all lies, say nothing except to your attorney I thought it was all over with. I was Mrs J.M. Mahoney now Mrs Virginia Harding 493 Atwater Road, Shorewood, Milwaukee Wis. Await your answer.  
Unsigned.

I sent you a note which came this morning.  
Philadelphia seems to be cropping up again.

Very cordially

James Earl Hall
